Know an organization that would like to assist us in finding solutions to Indiana's food scrap challenges? Let them know about this important statewide effort.

The IFSI Steering Committee works to develop each meeting and plan the path forward for IFSI. If you are interested in joining the Steering Committee, please contact us.

To learn more, for past meeting information and for today's presentations and attendee list, and to sign up for the IFSI newsletter visit: <http://www.indianarecycling.org/recycle/indiana-food-scrap-initiative/>

We are seeking additional support for the Initiative. To learn more about this opportunity please contact Carey Hamilton at carey@indianarecycling.org.
