Welcome!

The Conference
Indianapolis, Indiana | June 10-12, 2019
@ the Marriott East

Community Recycling Workshop
Making Smart Investments for Your System
Monday, June 10 @ 2-4pm
Today’s Agenda

• IDEM’s Recycling Market Development Program
  – RFP Released, Overview of requirements/eligibility, funds available, timeline & key dates
  – RMDB Priorities
Today’s Agenda

• Smart Investments for community recycling programs:
  – A discussion on investments that can deliver meaningful improvements to your recycling collection system, for all types & sizes of programs (curbside carts, rural drop-offs, hub & spoke model)
  – How effective outreach can (and should) be integrated into program improvements
  – Examples of successful program investments from across the country
Today’s Agenda

• How to Write a Strong Funding Proposal
  – Board Priorities
  – Competition
  – Past Recipients
  – How to be clear about need, goals, leveraging of resources, outcomes
  – What supporting information to provide

• Questions and Answers – All

• Wrap up – Allyson Mitchell, IRC
Today’s Speakers

• Deanna Garner, Indiana Department of Environmental Management (IDEM)
• Scott Mouw & Rob Taylor, The Recycling Partnership
• Kelly Weger, Purdue Manufacturing Extension Partnership (MEP)
Questions?
Working together to strengthen the circular economy in Indiana.
